Tantalizing Beer List Announced for New Tri-Cities Event

Craft Beer Tasting Festival set for Saturday, April 29

The Washington Beer Commission is proud to announce the 115 unique craft beers that will pour at the inaugural **Tri-Cities Craft Beer Festival**. This inaugural tasting event takes place Saturday, April 29, between noon and 6pm at the Southridge Sports and Events Complex. Thirty-six Washington state breweries will be on hand with knowledgeable owners, brewers, or brewery representatives serving up these creative and delicious local brews.

The commission's inaugural Tri-Cities Craft Beer Festival hopes to duplicate the success of the Spokane, Bremerton, Tacoma, and Everett tasting festivals which have grown to average better than 3,000 attendees per event over the last several years. Tasting festivals are a great marketing tool for the state's breweries and the primary source of income for the Washington Beer Commission. All event proceeds get reinvested in the marketing and promotion of Washington state craft beer and its 353 statewide breweries.

Here is the list of amazing beers pouring at the inaugural Tri-Cities Craft Beer Festival:

Bale Breaker Brewing - Yakima

1) Topcutter IPA

Our flagship IPA is a well-balanced yet aggressive West Coast IPA that showcases Yakima Valley hops at their finest. Late additions of Simcoe®, Citra®, Loral™, and Mosaic™ give this beer its complex citrus, fruity, and floral aroma and flavor. Named for a unique piece of farm equipment that removes hop vines from the trellis during the annual hop harvest, Topcutter IPA delivers loads of hoppiness all year long. 6.8% ABV / 70 IBU

2) Bottomcutter IIPA

Double dry-hopped with homegrown Yakima hops, Bottomcutter IIPA may be light in color but is packed with citrus and pine hop character. This Imperial IPA is brewed to finish dry, perfect for

the combination of Citra®, Simcoe®, and Ekuanot™ hops. As the bottomcutter is a tractor that leads the topcutter through the fields during harvest, this beer will lead to a new appreciation for our valley's hops. 8.2% ABV / 100 IBU

3) Raging Ditch Dry-Hopped Blonde

Named for the maze of irrigation ditches that flow throughout the Yakima Valley's rich farmland, Raging Ditch Dry-Hopped Blonde will quench a drinker's thirst on a hot summer afternoon.

While on the lighter side, Bale Breaker's newest seasonal beer is dry-hopped with two exciting new hop varieties. Ekuanot™ imparts the bright citrus hop notes, while the still-experimental hop variety, HBC344, provides a touch of tropical fruit character. 5.3% ABV / 20 IBU
