## **Participating Breweries Announced for New Tri-Cities Event**

Craft Beer Tasting Festival set for Saturday, April 29

The Washington Beer Commission is proud to announce the 35 local craft breweries that will participate in the inaugural **Tri-Cities Craft Beer Festival** that will take place Saturday, April 29, between noon and 6pm at the Southridge Sports and Events Complex. These breweries come from all over Washington state and will be pouring more than 100 unique craft beer creations.

The commission's inaugural Tri-Cities Craft Beer Festival will hope to duplicate the successful Spokane, Bremerton and Everett tasting festivals which have grown to average better than 3,000 attendees per event over the last several years. Tasting festivals are a great marketing tool for the state's breweries and the primary source of income for the Washington Beer Commission. All event proceeds get reinvested in the marketing and promotion of Washington state craft beer and its 353 statewide breweries.
